ORDER

Before the Court are two motions filed by the *pro se* plaintiff. The first motion (# 77) is yet another motion to amend the complaint. By Order (# 76) the court denied four similar motions on the ground that the amendment deadline had long expired. For the same reason, the instant motion to amend is hereby **DENIED**. The court has thoroughly reviewed the second motion (#78); and, because it presents no decipherable request for relief or court intervention, it is hereby terminated.

SO ORDERED this 9th day of June, 2010.
